## 2011 Season

Hi Folks, sorry I am a bit late with the newsletter, but it's been a busy year and the league seems to be going from strength to strength, long may it continue.

Ben Green is leading the Senior league at present with Harry Crew 'The Ginger Ninja' in second place. The Youth fixed boys leader is Tom Weeds, and the leading girl is Ana 'Gilly' Gill, The Freewheeler competition is led at present by Lance Ash as top boy and Teegan Hookway as top girl with Piper 'Pipernator' Radford hot on her back wheel.

We recently had some members of the league competing in the Junior and Youth National Championships at Manchester, with Rosie Blount attaining a bronze medal in the 500M TT as the best result, congratulations Rosie.

The judges seem to have had some trouble reading numbers this season, if you could pin numbers on the left hand side and if possible angled to be read easily it would help matters as you don't want to lose a place because your number can't be read. Can I also remind riders to tick off their name on the list after signing on, as it makes my job easier when allocating points. That's all for now as I don't have any more news, however if you want to comment on the league or have any suggestions for improvements please contact me via email [howard.wheatcroft@ntlworld.com](mailto:howard.wheatcroft@ntlworld.com) or phone: 01623465756 and I will note your comments.
