**2010 Season**

Well guys n gals here we are half way through the year and the season, which so far has been pretty successful. On the left you will see the results for the winter roller comp. unfortunately due to inclement weather ( its not often you can say that about an indoor event) we lost a couple of meetings, hopefully we can run a league this winter. As you are aware we now have our own club, Forest Town Aces with kit designed by our own 'Ginger Ninja' Harry Crew, apparently according to Graeme this has caused some comment at the Velodrome, with a couple of riders asking where they can obtain It!!

At the time of writing Iain 'Bono' Bonsall is leading the Senior league but the competition is hot, Harry Crew is the leading youth with Matt Waters creeping up on him, Scott Hookway is heading the Freewheelers. (watch out for Teagan, Scott)

The officials now have new kit courtesy of BC so there is no longer any doubt about who is in charge (just kidding). The jelly babies seem to be popular so I will continue to supply them, also many thanks to Caroline for keeping the officials well lubricated (with tea that is).

Graeme has been running coaching nights and they seem to be well attended, and hopefully all the riders will benefit. Jenny Gretton (East Mids regional events officer) and Rob Sharman (East Mids Development Coach) have visited the league and we hope they were impressed with our set up. (hope I got the titles correct guys?)

I think that is all the news for now so I will shut up, if anyone has any further news then please let me know and I can print an update for inclusion on the website,

All the best for the rest of the season,

Howard
