2010 Season

Well gang, it's the end of another season, and a pretty successful one at that, the Senior and Youth league competitions went down to the wire (Graeme is keeping the results close to his chest) In terms of numbers we had 29 seniors sign on, 18 Youth and 15 Freewheelers through the season.

We have received some cash from the old Nottingham track school and this is being used to supply bikes for use at the track, Paul Harris of Sherwood Pines cycles is again sponsoring us for 2011, so it's looking good for next year.

As you are aware we lost Paul Johnson in a tragic accident and his mother has donated Pauls bike to the league, for which we thank her.

In September a team from the league plus one competed in 'The Great Race' on a course in Knutsford, for Penny Farthings, the team of Richard 'Clear the track' Thoday, Bruce 'The One' Dawson, 'Gentleman' Jim Crew, and Robert 'Knees' Howden acquitted themselves very well despite many mechanicals and other mishaps throughout the day, they had two machines one of which was the second oldest, being made in 1878. The team finished in a creditable 29th place with 73 laps of a 1Km circuit (which would have been more but for transponder problems). The team are already looking forward to the next Great Race in 2020!!

I did see on facebook that Rosie Blount was in 'pot', get fit soon Rosie we want to see you next season giving Matt a run for his money.

On a lighter note, as you know I supply jelly babies throughout the season and doing a quick calculation we have got through approximately 18 kilos of them!! (most going down Joshs neck)

See you all at the prize presentation,

Merry Christmas & a Successful New Year to all

Howard
